TERMS AND CONDITIONS

Terms and Conditions for the BEL ET BIEN Furniture Collection by Studio Uwe Gaertner

1. Prices and Validity

This price list is valid from November 1, 2024, and all previous price lists become invalid. The prices indicated in euros are recommended net retail prices. All orders and contracts with Studio Uwe Gaertner are based on the price list valid at the time of order confirmation and according to the following Terms and Conditions. No discounts are granted. The prices are ex-warehouse Hamburg. Transport and insurance costs are borne by the customer.

2. Offers

Our offers are non-binding unless expressly stated otherwise.

3. Binding Period for Orders

The customer is bound to an order for three weeks.

4. Conclusion of Contract

The contract is concluded if we either accept the order in writing within three weeks or deliver the goods within three weeks.

5. Transfer of Risk and Packaging

The risk passes to the customer upon handover of the goods to the transport company or the customer. This handover is the transfer date. Transport packaging requested by the customer or carrier will not be returned.

6. Delivery Dates

Delivery dates are only binding if expressly stated in writing as such. The delivery times provided in the order or order confirmation are estimated and non-binding. In case of delivery delays, the customer must grant us a reasonable extension period of at least 20 working days.

7. Warranty and Claims for Defects

If the customer is acting as an entrepreneur within the meaning of §14 of the German Civil Code (BGB), the customer's claims for defects expire one year after the transfer date. Obvious defects, incorrect deliveries, and quantity discrepancies must be reported to us in writing no later than three days after delivery. After this period, claims for defects cannot be made. The shortening of the warranty period to one year does not apply in cases of intentional or grossly negligent behavior or in cases involving injury to life, body, or health. The customer acknowledges that the goods are custom-made and that deviations from catalog illustrations and other representations are possible. Such customary deviations are not considered defects. If the customer orders different fabrics or finishes than those offered by us or requests other deviations from our products, we are not liable for their suitability for the intended contractual use. In the event of a legitimate defect, the customer must allow us the opportunity to properly remedy the defect, and, at our request, return the goods to us. The costs incurred in this process will be borne by us.

8. Compensation Claims

The customer is only entitled to compensation for slight negligence if a material contractual obligation, essential for the fulfillment of the contract and which the customer can reasonably rely on, has been violated. In such cases, the damage is limited to the foreseeable scope. The aforementioned limitation does not apply in cases involving injury to life, body, or health.

9. Payment

Payment for the goods is due upon handover. If payment is not made or not made on time, we are entitled to withhold the goods.

10. Applicable Law

The legal relationship between us and our customers is governed exclusively by German law, excluding conflict of law provisions and the United Nations Convention on Contracts for the International Sale of Goods (CISG). The place of fulfillment and jurisdiction is Hamburg, provided the customer is a merchant.

11. Severability Clause

Should one or more provisions of these Terms and Conditions be or become invalid, the remaining provisions shall remain in effect.
